iZABT50

Aromatherapy Speaker with Lighting

Create a calming environment with the combination of light, sound and aroma therapy. The iZABT50 features 6 different sound therapy tracks designed to calm your mind, lower your breathing and heart rate, and prepare your body for sleep. You can also select from 7 different 115 Lux, full-color light therapy modes designed to align your circadian rhythm at night and improve your mood throughout the day. The iZABT50 features two audio sources: built-in sound therapy and Bluetooth wireless audio streaming from your mobile device. It also includes Aromatherapy to help create a calming environment with the use of essential oils, no water needed. 5 ML bottle of lavender essential oil included. Remote control included.
