

**Takes the dirty work  
out of vacuuming.**

## **Clean Base™ Automatic Dirt Disposal**

Compatible with Roomba® i Series Robots

### **Automatic emptying, now at your disposal**

Empties the robot's bin on its own, so you can forget about vacuuming for weeks at a time

### **Empties, recharges and heads out for more**

Automatically empties and recharges as needed, and then continues cleaning - until the job is done

### **Cleaning is in the bag**

Enclosed bag holds 30 robot bins of dirt and debris for easy disposal without the cloud of dust

With 25 years of robotic expertise and continuous innovation, iRobot® has optimized our Roomba® robot vacuum to help thoroughly clean floors in homes around the world.

## Clean Base™ Automatic Dirt Disposal features:

### Automatic Emptying

Empties the robot's bin on its own, taking care of the cleaning from start to finish.

### Empties, recharges and heads out for more

Automatically empties and recharges as needed, and then continues cleaning - until the job is done.

### Forget about vacuuming for weeks at a time

Bag holds 30 bins of dirt, dust and hair, so you don't have to think about vacuuming for weeks at a time.

### Disposal without the dust

Enclosed bag traps dirt and debris so it can't escape into the air, for easy disposal without the cloud of dust.

### Easy Upgrade

Just install the disposal-ready robot bin (included) and your robot is ready to go!
