

CLS1X - Conair Battery-Operated Fabric Defuzzer

This fabric shaver features three depth settings to shave fuzz, pilling and lint from sweaters, clothing, furniture and upholstery. Fully adjustable for a variety of fabric types, this battery-powered fabric shaver with a comfortable grip safely removes unwanted broken and matted fibers from your favorite sweaters, catching them in the detachable lint catcher for disposal.

- + Safely removes fuzz, lint and pilling
- + 3-setting depth control for customized fabric "shave"
- + Adjusts for fabric type
- + Detachable lint catcher
- + Comfortable grip handle
- + 2 AA batteries required (not included)
- + Limited 1-year warranty
