### Bluetooth Noise Canceling Rechargeable Headphones with Mic, Remote Control and Travel Pouch

Enjoy rich, detailed sound with enhanced bass response without inconvenient cables and cords. Bluetooth wireless capability lets you listen to audio from up to 30 feet away. Active noise cancellation circuitry silences intrusive sounds, while our padded headband and ear cushions make extended listening a pleasure. Rechargeable battery provides 27 hours of continuous use. Built-in echo-cancelling mic allows you to have wireless phone calls and a remote control on the earcup puts track control, play/pause, answer/end calls and volume control within easy reach. Voice prompts enhance user experience with Bluetooth pairing and interface confirmations. Works with Melody Music Assistant that allows you to use your voice to access music while on the go, no Wi-Fi required. Included travel pouch provides added portability.

#### FEATURES

- **Active noise canceling technology**  
*Active noise cancelling technology eliminates distracting background noise for a quieter environment and undisturbed listening*

- **Bluetooth 4.0 audio with built-in mic**  
*Wirelessly enjoy your audio from up to 30 feet from mobile devices with no cords or cables, mic for handsfree phone use*
