ATTACHING YOUR SCREEN PROTECTOR

- 1** Remove your phone case (for easier install).
- 2** To prevent bubbles, clean your phone screen with the wet cloth, then remove moisture with the dry cloth.
- 3** Press the dust removal adhesive to your phone's screen repeatedly to remove any remaining debris.

- 4** Push the alignment tool onto your phone until it snaps into place.

- 5** Use tab #1 to peel the backing film off the screen protector, then discard the film.

- 6** Align the top of the screen protector with the alignment tool, then press it down in the direction of the arrow (shown below), to adhere it to the screen.

- 7** Remove the alignment tool.

- 8** If there are bubbles, press them out toward the edges of the screen protector with your finger or the polishing cloth.
- 9** Reattach your phone case (if needed), then remove fingerprints with the polishing cloth.
