GENERAL INFORMATION

Title: ESWAP X FIGHTING PACK – Pack of 6 additional modules in dark shades, Circular D-pad, Instant swap, Compatible with ESWAP X PRO CONTROLLER, Xbox Series X|S and PC

Key points:

- Beige, circular multidirectional D-pad for more fighting flexibility
- Two-button fighting module, for better precision and easier in-game combos
- Ultra-precise modules with minimal response time thanks to the ultra-reactive, durable tact switches
- Long alternative triggers for unprecedented playing comfort, increased amplitude and completely new sensations
- Operational and functional modules using the T-MOD technology and the ESWAP X PRO CONTROLLER's hot-swap function to switch out modules at any time during the game
- Free software for Xbox and PC gamers: adjust all of the important settings (gaming presets, remapping, sensitivity, vibrations, etc.)

About the product:

Thrustmaster offers a pack of modules dedicated to the ESWAP X PRO CONTROLLER (sold separately) to expand your gaming comfort zone and increase your win/lose ratio in fighting games.

These modules feature shapes that are designed for the most intense duels as well as brand-new textures for optimal handling in fighting in order to push your boundaries and deliver the finishing move!

A complete set of modules with a dark, mysterious style to get you ready for all types of fights.

The product is an officially licensed Xbox Series X|S device, and is compatible with Xbox One and PCs running Windows 10.
