### Installing the Batteries

**ATTENTION:** Batteries should only be installed by an adult.

The unit comes with batteries already installed. These batteries are meant for in-store demonstration use only, and should be replaced with fresh batteries. To replace the batteries at home:

1. Use a Phillips screwdriver to open the battery compartment door.
2. Insert 2 “AAA” size batteries into the compartment, making sure that the + and - polarities match the diagram printed inside.
3. Close the battery compartment door and tighten the battery door screw. Don’t over tighten.

#### For the Best Possible Performance
- Only use the recommended/replaced batteries or equivalent. Use alkaline batteries for longer life.
- Do not mix old and new batteries, and do not mix alkaline, carbon-zinc or rechargeable nickel-cadmium batteries.
- Insert batteries with proper polarity (+/-) as indicated.
- Remove exhausted batteries from product.
- Recharge rechargeable batteries under adult supervision.
- Do not attempt to recharge non-rechargeable batteries.
- Do not open batteries or heat them beyond normal ambient temperatures.
- To prevent battery leakage or damage remove batteries from a product if it will not be used for a month or longer.
- Use extra caution handling leaking batteries (avoid direct contact with eyes and skin). It battery leakage comes in contact with eyes, immediately flush with large amounts of water. Stronger cleaning agents, such as thinner or similar solvents, are not recommended, as they may damage the surface of the case.
- Do not allow dirt, dust, small particles, water or other liquids to enter the toy’s coating.

### Limited One-Year Warranty

Thank you for purchasing one of our many top-quality electronic products. Please take a moment to read through these instructions to help you understand the safety and proper way to use the toy to extend its usability.

**FCC Information**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installations. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Warranty**

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

**CAN ICES-3 (B)/NMB-3(B)**

**Disclaimer of Warranty**

- eKids, LLC offers no warranty on this product. This warranty is void if the product has been damaged by negligence or willful actions, misuse or accident, or which has been modified or repaired by unauthorized persons; (ii) cracked or damaged by negligence or willful actions, misuse or accident, or which has been modified or repaired by unauthorized persons.
- A copy of the sales receipt is required to validate in-warranty coverage.

**Limited One-Year Warranty**

- If the product fails to function in a satisfactory manner, it is best to first return it to the store where it was originally purchased. Should the defect or malfunction during the warranty period, while repair or, at our discretion, replace your toy. This decision is final.
- It is important to keep the unit as dry and clean as possible. Clean the unit with a soft cloth moistened only with mild soap and water. Stronger cleaning agents, such as thinner or similar solvents, are not recommended, as they may damage the surface of the case.
- Do not allow dirt, dust, small particles, water or other liquids to enter the toy’s coating.
- If the unit is to be left unused for an unlimited time period, such as in storage, remove the batteries to avoid damage to the unit due to corrosion.

**Questions or Comments**
- For questions or comments regarding the toy or other eKids, LLC products, please call our toll-free number: 1-888-TOP-TOYS.

### Playing with the Sing Along Mic

There are two ways to have musical fun with your Sing Along Mic. You can sing along to the built-in song, or if you play an MP3 player or other audio device by connecting with an MP3 Audio Cable (not included). Flashing lights add to the excitement! Here’s a great song:

**Song Mode**
- Press the Song Button to hear built-in sound effects and play the built-in song.

**MP3 Mode**
- Connect one end of an MP3 Audio Cable (not included) to the headphone jack of your MP3 player or other audio device (not included). Plug the other end of the MP3 Audio Cable to the Line-In jack on the side of your device.
- Turn on and play your MP3 player/device in play mode.
- Press the Song Button on the microphone to play music through the speaker!
- Press the Song Button again to switch between the MP3 player device and the built-in song.

**Note:** There is a 5-minute timer that will automatically turn off MP3 playback. Press the Song Button to resume MP3 playback.
