

Full Motion Dual Monitor Desk Mount, Fits 32" Monitors | MI-2752L

- MI-2752L supports up to 22 lbs. on each arm, monitors up to 32", and fits 75mm x 75mm and 100mm x 100mm VESA patterns
- Full-motion, height adjustable arms made of heavy duty steel and include integrated cable management clips
- All mounting hardware and tools are included in the box, making installation quick and painless
- Great, cost-effective ergonomic solution for any office or educational space

OVERVIEW

Raise your monitors to an ergonomic position and work more efficiently with this dual monitor mount. Designed for performance, this mount is made from high-strength steel for durability. Includes both clamp and grommet installation components to fit a variety of desks. The arms can be raised and lowered on the pole for easy height adjustment. Tilt and swivel offer multiple monitor angles for comfortable reading, and integrated cable management keeps your cords off your desktop.
